ADVOCATE, SUPPORT, AND EDUCATE

As your collective voice in Augusta, we provide:

- Updates on state developments to keep your business informed and relevant including visits from new and current legislators in the area
- Support services from organizations like the Maine State Chamber of Commerce, Department of Economic and Community Development, and the Small Business Administration to keep your doors open and cash registers full
- Solutions to problems facing Franklin County as a whole

////////////////////////////////////

COMMUNITY INVOLVEMENT

By working with local volunteer and education networks, we provide:

- Opportunities for the creation of internships and interns to fill positions
- Resources to general and adult education programs
- Opportunities for involvement in community and commerce-supporting events
