What are Chamber Bucks?

Chamber Bucks are **gift certificates** to businesses belonging to the **Franklin County Chamber of Commerce**. Each business that chooses to participate accepts the Chamber Bucks as cash, then turns them in to the Chamber, who then reimburses the business. Chamber Bucks are available at the Chamber office in increments of \$5, \$10, \$20, \$25, and \$50. They also have **no expiration date**, but why wait to use them?

Chamber Bucks Program Participation Agreement

Goals of the program: We at the Chamber enlist creative approaches to encourage people to shop with our local merchants, and keep their support in the communities. The Chamber Bucks program makes shopping and gift-giving easier for our customers from near and afar by allowing them to give and receive the gift of options! Chamber Bucks are essentially gift certificates that are redeemable at our participating member businesses that are appropriate for all occasions. The more participation we have from our membership, the better! The program increases the visibility and effectiveness of the Chamber for our membership by promoting our local economy, and raises awareness of the fact that together, our support of local commerce makes the difference.

How it works: Chamber members sign on to participate and agree to let customers pay for items with Chamber Bucks gift certificates. Community members can purchase Bucks at the Chamber office. At the time of purchase, the recipient receives a printed program brochure, which includes a directory of participating members where they may choose to redeem their Bucks. Bucks are acceptable at full face value like cash. Merchants, please return currency for any difference in purchase and value of the Bucks. You will be reimbursed for 100% of the Bucks' value. Simply mail or drop off the redeemed certificate to the Chamber for reimbursement.
